BIG POINTS

1 You get 8%! of whatever you sell!

An agent gets 8% commission of the FOB price for anything they sell with Hire Purchasing!

No complications, no hassle! Cash!

2 No need to buy and keep stock!

An agent does not need to buy and keep stock in the shop to sell! If a customer is interested in a particular product, simply contact us and we will sort it out! That means no investment necessary!

3 Over 1,600 items to sell!

We currently have over 1,600 products to sell in all sorts of categories, and there are more to come every month! All named brands in many categories including electronic appliances, machinery, motorcycles, furniture and more!

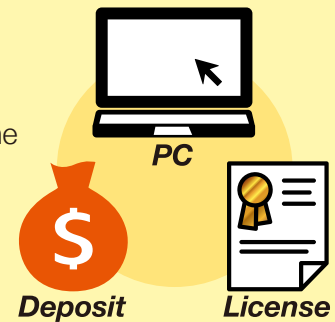

4 More selling power! (Hire Purchase)

With Hire Purchase, many customers who have difficulties to pay in full for a product before can now buy it with just an initial down payment! The remaining payment will be divided monthly throughout the year!

5 Easy to start!

All an agent needs is a TV and a PC to start! That's it! Registration is simple and once approved, you pay the deposit and you are ready to go! And it does not take away from your existing business! You can do both!

6 And you can help many people! As you make money!

Everyone deserves the best! With this service, everyone can now get the best product they can! Help them make their dreams come true!
